CHRIS SCOTT'S MOTTO – BETTER ENVIRONMENT, BETTER TOMORROW

The Initial Life of Chris Scott

Situated in Prairieville, LA, Wendell continues to make an impact on the environment – both in general and on the organizational level. He did his Bachelors's in Environmental Management from Louisiana State University in 1998. In 2005, he did his M.S. in Environmental Health and Safety Management from Rochester Institute of Technology. Thus, it began the celebrated life of an Environmentalist in Action!

Exceptional Professional Career

With a career spanning of over 20 years, Chris Scott has been the stand out performer in all of them! He holds numerous achievements in maintaining environment and health safety measures in many organizations, present in his resume.

A few of the highlights in his career include:

- ✓ Proficiently supervised single and multi-site operations during one Plant Manager's extended leave.
- ✓ Zero workplace injuries in OSHA records throughout the 11 years of his life as the EHS professional.
- ✓ Spearheaded a talented process improvement team, which ended up receiving the Ecolab's Enterprise Excellence Award and Green Belt Enabling Project of the Year.
- ✓ Was awarded Supply Chain's Ecolab Excellence Achievement Award; to add to his esteemed list of recognitions in his professional career.
