This Award winning author is sure to surprise you!

No doubt there are a hundred different authors decorating your TBR. From the late greats to new and up-and-coming authors who are just making their marks on the world of literature. We love to surround ourselves with art and literature because they speak to us. That's why [Author Name], an **award winning** author is on top of our list.

She combines drama, spirituality, passion and determination in stories that are unlike anything else. Her debut book, [Book Title] is only the first of many to come. Despite her early career, she has seen unprecedented success. The sky is the limit, but [Author Name] is set to break that too. Here's what you need to know about the woman behind [Book Title].

Who is [Author Name]

[Author Name] is your average American churchgoer. She loves her family, her community and her horses. She continues to live by the principles of adventure and passion and has a taste of life that few can grasp. She has always been a huge believer in fate and destiny. Perhaps it is that same destiny which drew her to being a cornerstone for many people in her life.

At a young age, [Author Name] landed a job in corporate America. This would have been a dream come true for many people. However, for [Author Name], this was not the case. After only a few years, she became restless and began questioning her life. There must be more, she was used to asking herself. Thankfully, there was.

She found a way to make a difference for the world and for her three daughters. She found her passion in combating human trafficking in Europe and Africa and became a staunch advocate for the victims. In her crusade against darkness, she had to go through severe traumatic life experiences. Life has never been easy for her, but [Author Name] had never lost sight of what's important. Even when the world pushed, she seemed to always push back.

Her Award Winning Title

[Author Name]'s debut **award winning** novel, [Book Title] is what pushed her to stardom. Her awards and accolades are all rightly received because the book is nothing short of astounding. It has heart pumping action page to page, while also meaningful reflections in between.

The book is difficult to categorize for that same reason. Is it an autobiography? The book does detail her life and some of the worst experiences she had regarding human trafficking worldwide. Is it a suspense thriller? The book has plenty of moments that glue you to the pages. Is it a philosophical and spiritual tale? These themes are present from start to end.

The truth is, [Author Name] has married all of these different genres together to create something truly special. [Book Title] is a tale of extreme trauma but also a hopeful tale about renewal and finding meaning.

Because of the nature of her work, it is no wonder she has earned numerous accolades. She is often seen at book signings and is always ready to chat with fans about the book. Her experiences are written down in stunning detail, but she is always eager to provide further information. That's because the book is special to her and raises awareness regarding human trafficking. Now that's a cause we would love to get behind.

Why Her Work is so Compelling

With all that said, it might be good to talk about just why her work is so compelling. We touched a bit on the themes and the plot, but let's talk about why it affects the audience so. Below, we collected just some of the reasons why we think her work is so engrossing.

They're True Stories

There is nothing wrong with a bit of fantasy. J.R.R Tolkien and George R.R Martin have changed the world through their books. However, what draws in modern audiences more are true stories. Whether its true crime or stories that depict real world events. We are naturally drawn to them because fact can indeed seem stranger than fiction at times.

That's why [Author Name]'s [Book Title] is so engrossing. What is astounding is that the events that are depicted have happened. What is more surprising is that [Author Name] is still here with us despite all that she faced. That is nothing short of impressive.

They're Filled with Hope despite Darkness

The concept of tragedy has had a mainstay in art and storytelling since Ancient Greece. However, they can often depress us and turn us off from reading. We all love a good tragedy, but sometimes, it can get too bleak, especially if there's no light to counter it.

[Book Title] brings the dark and depraved world of human trafficking to your desk. That is a heavy topic and should be dealt with the gravity it warrants. However, [Book Title] follows that up with a message of hope and renewal. It lets us know that we can always become better people from our trials.

The Award Winning Novel provides Meaningful Takeaways

A tale that doesn't end with an important realization is incomplete. We all want to learn more and become better with each book we read. We all stop to reflect as soon as we finish reading cover to cover. The best thing about [Author Name]'s work is that you have plenty of food for thought.

The story offers a chance to reflect on not just ourselves, but the world around us as well. From the coast-to-coast crime of human trafficking to overcoming trauma. Everyone is sure to find something meaningful that makes them a better person through reading this book.

Philosophy and Spirituality is Intricately Woven

Despite the story being a recollection of events from [Author Name]'s life, the book does provide philosophy and spirituality guidance as well. From never giving up hope to rejuvenating oneself to become better. These themes are expertly sprinkled over the course of the book. This makes for some very thought-provoking reading.

Her **award winning** book provides a glimpse into the philosophical underpinnings of human nature and also how spirituality can guide us down a path of renewal. Considering that spirituality has helped [Author Name] regain control of her life, she is a good guide in those matters. Her book is full of lessons she learned on the way and how they shaped her up to be who she is today.
